A Big Thanks

to Bob and Earl for all
their work running the
50/50.

We've Sniffed **Out the** **Problem** **with the April** **Newsletter**

We apologize to those who received the April Newsletter late. We have investigated and found that the Post Office was simply excessively slow to deliver several member's mailers.

We use first class postage for "best service". Also the flyers were all mailed on the same day from the main post office to minimize any extra routing. Most of the flyers were delivered two days later. Unfortunately some flyers were delivered almost two weeks later. Since the late flyers were in excellent shape, they did not get caught in the Post Office equipment or have some other physical problem which would account for the slow delivery.

We make every attempt to bring you the newsletter in a timely manner, but somethings are beyond our control.

This is why we also post meeting info and maps on the website. Be sure to check www.aatecusa.com/ata for meeting details.

Remember! New material always being added to the ATA "Members Only" section online

April Meeting *The 21st Century Tune-up*
Our thanks to Chuck Mehozonek for another great ATA Meeting!

Keep your shop on the cutting edge and customer cars in your bays!
The 21st Century Tune Up program will:

- Improve reliability
- Improve performance
- Improve fuel economy
- Reduce air pollution
- Increase product & service sales
- Create customer confidence

And...Develop an annual Tune Up program for your customers!
Learn More on the ATA website

Congratulations
To April 50/50 Winner
Don Washington

ATA Planning Meeting

All members are welcome to come to the Town Crier restaurant on RT. 261 near Barber Rd. for the Officers Mtg on Weds. 1 week after the seminar.

RSVP to ensure we haven't changed the location and so we can tell the restaurant how many people to expect.

E-mail miketighe@aatecusa.com or call AATEC at 330-239-1647.
